

2021 POCUS WORLD CONFERENCE

AGENDA

Friday

SEPTEMBER 17TH, 2021

KEYNOTE

Prehospital POCUS: The Therapeutic Accelerator that Increases Your Efficiency

Dr. Didier Moens, MD

BREAKOUT SESSION #1

Improving the Utilisation of Ultrasound for Peripheral Intravenous Cannulation in the Emergency Department

Dr. Laura Tan, MD; Dr. Homero Alves do Canto Brum, MD

Point-of-Care Lung Ultrasound Training Through Online Simulation

Dr. Juan Verde, MD

The Application of Tele-Medicine of Ultrasound Based on 5G Network

Dr. Chengzhong Peng

BREAKOUT SESSION #2

Low Lumbar Pain? Ultrasound Always

Dr. Pablo Barbera, Physician

To Scan or Not to Scan: Utilizing the Ultrasound to Assist with Decision Making in the Acute Trauma Setting

Dr. Somali Nguyen, DNP, CRNP, AGACNP-BC

Innovative Strategies for POCUS Adoption in Resource-Challenged Settings

Dr. Bernard Bulwer, MD

BREAKOUT SESSION #3

Ultrasound Guided Bone Marrow Concentrate Injection for Partial Thickness Rotator Cuff Tears: 2-year Results

Dr. Don Buford, MD, RMSK

How to Learn POCUS Effectively and Efficiently

Daniel Nash, CRNA DNAP

POCUS in the Global Health Setting

Dr. Gordon Johnson, Physician

BREAKOUT SESSION #4

High Yield Pedagogy on the Frontier: Optimizing POCUS Pedagogy and Practice in a Severely Resource Limited Environment

Sean Smith, Educator; Dr Marisa N. Seepersaud, DM; Sri Devi Jagjit, MD, MMed.

Ultrasound Simulation in Medical Education

Dr. Cathy Daniels, Ed.D., RTR, RDMS, RDCS, RVT

Point-of-Care Echo and Lung Ultrasound in COVID-19 - Experience from 3 Waves and the Aftermath of a Pandemic

Dr. Martin Altersberger, MD

BREAKOUT SESSION #5

Point-of-Care Ultrasound Applications in Primary Care

Dr. Paul Bornemann, MD

Ultrasound Guided Large Joint Aspiration: A Practical Approach

Dr. Raffi Salibian, MD

POCUS, a Necessity in Developing Countries

Dr. Leandro Fernandez, MD

BREAKOUT SESSION #6

Value of Dynamic Assessment in Focal Neuropathies

Dr. Mohini Rawat, DPT

An Interprofessional Method to Introduce POCUS to Pre-Clinical PA Students

Professor Wayne Mathews, PA; Jannelle Reynolds, MPAS, PA-C;
Kim Michael, MA, RT(R), RDMS, RVT, FSDMS

Two Legs or Four: Translational Applications of Human and Veterinary Medicine

Dr. Richard Markell, Veterinarian

End of Day 1

Saturday

SEPTEMBER 18TH, 2021

BREAKOUT SESSION #7

Point Of Care Ultrasound (POCUS) - An Alternate to Rescue Laryngoscopy in Evaluation of Pediatric Airway

Dr. Deepa Shivnani, Physician

POCUS Assisted Diagnosis & Intervention in Abdominal Emergencies

Dr. Kuo-Chih Chen, Physician

Utility of Point-of-Care Ultrasound in COVID-19 Patients

Dr. Julie Christie Visperas, MD

KEYNOTE

POCUS25

Dr. Victor Rao, MBBS, DMRD, RDMS; Dr. James DellaValle, MD, MBA;
Dr. R. Eugene Zierler, MD; Dr. Hong Wang, MD, PhD, FASE; Dr.
Cynthia Parshall, PhD; Mr. James Day, BA, RDCS

BREAKOUT SESSION #8

Venous Excess Doppler Ultrasound: Reimagining the Volume Status Assessment

Dr. Abhilash Koratala, Physician

Using Virtual Escape Room for Point-of-Care Ultrasound Pulmonary Education: Zombie Cruise Ship Scan Your Way Out

Dr. Heesun Choi, DO

Clinical Correlation of Lung Ultrasound Profiles in Patients with COVID-19 Infection

Dr. Chitrakshi Nagpal JR 2, MD; Dr. Sanchit Kumar, MBBS, MD

BREAKOUT SESSION #9

Ultrasound Compared with Chest X-ray in Detection of Pneumothorax Prior to Removal of Tube Thoracostomy in Trauma Patients: A Pilot Study

Dr. Mohini Rawat, DPT

Determination of Transvaginal Ultrasound Proficiency and Learning Curve Among Emergency Medicine Trainees

Dr. Allyson Hansen, DO

Musculoskeletal Ultrasound Pathology for Primary Care

Dr. Alvin Day, MD

BREAKOUT SESSION #10

POCUS of the Head and Neck

Dr. James DellaValle, MD, MBA

Technique for Ultrasound Guided Iliopsoas Bursa Injections After Total Hip Arthroplasty

Dr. Anthony Kenrick, MD; Dr. Eugene Roh; Dr. Michelle Lee, MD

Extended Abdominal Examination with Ultrasound

Dr. Salman Naeem, Physician

BREAKOUT SESSION #11

Ultrasound-Guided Injections for Tendinopathy: When, Where and What

Dr. Lorenzo Masci, MD

BREAKOUT SESSION #11 (CONTINUED)

Trends in POCUS in Haiti

Dr. Gedeon Gelin, MD

BREAKOUT SESSION #12

Don't Worry, Be Appy! Diagnosing Appendicitis with Point-of-Care Ultrasound

Dr. Joshua Davis, MD

Not Just Hocus POCUS: Using the Magic of Ultrasound to Enhance the Physical Exam

Dr. Nigist Taddese, MD

KEYNOTE

Ultrasound as Disruptive Technology

Dr. Matthew Riscinti, MD

End of Day 2
