

HOW CLINICIANS DEVELOP THEIR POCUS SKILLS

RESOURCES

2-3 Days Workshops

Get hands-on, instructor led, POCUS training.

Conferences

Share industry perspectives and review ground-breaking POCUS topics in lecture format.

On-demand Resources

Review quick informational bites, when you need it, that cover a variety of POCUS topics.

Online Courses

Match your pace with comprehensive learning opportunities provided through simulations and case studies.

TRAINING STYLES

Hands-on Trainings

Learn under the direction of an instructor in a classroom setting.

Distance Learning

Submit and receive information from a remote instructor.

Simulation Training

Practice your techniques in-person and on your own time.
