

POCUS

Point-of-Care Ultrasound
Certification Academy™

HOW *Volunteering* BENEFITS YOUR CAREER

Participating in volunteer opportunities with POCUS provides benefits that fall into two primary categories:

HELPING IMPROVE THE MEDICAL FIELD

1. Engaging with the medical community in a continual flow of knowledge.
2. Developing educational content.
3. Upholding the integrity and unity behind ensuring the highest quality healthcare.

HELPING YOUR CAREER

1. Demonstrating that you are a subject matter expert in POCUS.
2. Highlighting professional experiences and knowledge within professional organizations.
3. Expanding professional experiences and knowledge as a commitment to providing quality care.

WAYS TO VOLUNTEER WITH POCUS

The Point-of-Care Ultrasound (POCUS) Certification Academy™ provides a wide range of possibilities for volunteers globally to contribute their subject-matter expertise through content creation and quality assurance.

These opportunities include:

1

Volunteering to be interviewed as a blog or podcast guest

2

Hosting a 20-minute webinar that can be live or recorded

3

Serving as a case reviewer

4

Submitting clinical POCUS videos and presentations

5

Acting as a governing member

6

Authoring cases or questions for assessments
