Find Answers to Your One of a Kind Virtual Experience

"The excitement continues to brew as we draw closer to POCUS World, the first and only global conference of its kind, focused solely on the clinical application of point-of-care ultrasound (POCUS). So be sure you're registered and have your calendars marked for September 17-18.

This invaluable opportunity provides attendees the chance to engage with the healthcare community, collaborate on POCUS standards, connect and learn from renowned POCUS users, and participate in hands-on demonstrations of the latest point-of-care ultrasound applications.
