September 15, 2021

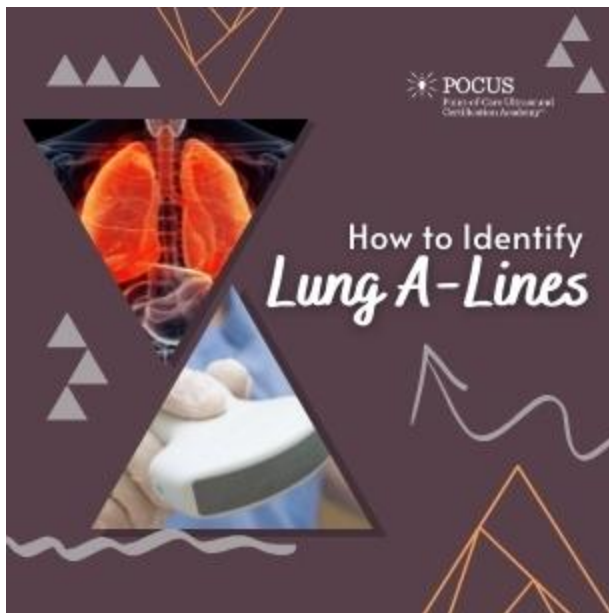

## POCUS World Provides a Magnitude of Opportunities

"In just a few weeks, the 2021 POCUS World™ Virtual Conference will unite the global medical community. At this one-of-a-kind event, healthcare professionals from across the globe will intimately engage with the infamous point-of-care ultrasound (POCUS).

Whether in the early stages of our careers or if we have been using this modality for years, this conference will help us form connections and strengthen our POCUS proficiency."

### Keep Reading

In this short video, learn how to identify lung A-lines during a point-of-care ultrasound (POCUS) scan.
